

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF SOUTH CENTRAL BELL)	
TELEPHONE COMPANY TO INTRODUCE)	CASE NO. 92-057
CUSTOMER LIST SERVICES)	

O R D E R

On August 27, 1992, BellSouth Telecommunications, Inc. d/b/a South Central Bell Telephone Company ("South Central Bell") filed a motion for reconsideration of the Commission's August 7, 1992 Order approving its proposed tariff for customer list services. The Commission ordered South Central Bell to clarify its proposed tariff language to state that nonpublished and unlisted numbers and related customer information is only available for the Customer Name and Address ("CNA") service option of those subscribed to the ordering Interexchange carriers ("IXC"). The Commission ordered this information to be reflected in Section E13.3.11.D.1.

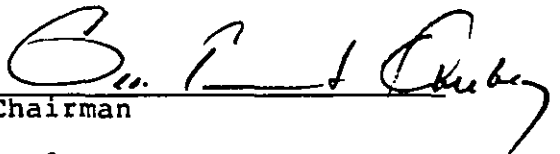

In its motion for reconsideration, South Central Bell states that the nonpublished and unlisted numbers and related customer information are also available to the subscribed IXC under the universal option of the tariff which is E13.3.11.D.5. South Central Bell requests to incorporate this required language in a different section of its tariff, E13.3.11.G, and to specify that it applies to both options, those "subscribed to ordering IXC option" and the "universal option."

The Commission, having considered the motion for reconsideration of South Central Bell and having been otherwise sufficiently advised, HEREBY ORDERS that:

1. The motion is hereby granted.
2. Within 20 days of the date of this Order, South Central Bell shall file its tariff with an effective date of October 17, 1992.

Done at Frankfort, Kentucky, this 16th day of September, 1992.
